

Notice Regarding Scheduled Electrical Equipment Inspection  
(Power Outage)

February 28, 2024

To Whom It May Concern

Hospital Director

Notice of Power Outage

Due to a detailed inspection of the power receiving facilities (legal inspection), there will be a total power outage during the following period. Thank you for your cooperation.

	Time	Place of power outage
March 24 (Sunday)	8:00 - 15:00	Main Building
	(However, only the wards will experience a partial blackout starting at approximately 07:40)	
	8:00 - 18:00	North Wing

Power will be phased out, except for some medical equipment.

\* Please note that there may be some restrictions on visiting or admitting emergency patients.
